

Technical sheet

article:	net
colour:	white
typology :	net
colour finishing:	thermo-fixed at 180° C
description:	characteristics:
composition	100% polyester
final weight	140 gr/mq
warp-yarn size	167/1 s400 dtex
weft-yarn size	167/2 s80 dtex
warp-yarn counting	22 yarn/cm.
weft-yarn counting	12 yarn/cm.
note	
characteristics may change among commercial tollerance. during daily use could appear a progressive shrinking does not contain lead, hexavalent chrome, mercury, Biphenyl polybromide, cadmium, Phenyl ether polybromide, in conformity with guideline 2000/53/CE - RoHS
